

SECOND STREET GALLERY

Founded in 1973, Second Street Gallery is the oldest nonprofit 501(c)(3) community-run contemporary art space in Central Virginia and is now one of the oldest nonprofit galleries in the United States.

With help from friends like you, we have encouraged thousands of people to look at and think more deeply about contemporary art through inspiring exhibitions. Your support of our exhibitions and outreach programs makes a huge difference, enabling us to:

- Showcase 10 to 14 separate exhibitions per year, highlighting the work of over 100 artists.
- Present a full calendar of related educational and outreach activities that complement our exhibition season.

These exhibitions and related programs create a lively environment for the exchange of ideas, opinions, and perspectives from around the world and down the street.

Second Street Gallery is entirely funded by donations from individuals and foundations. We hope you'll consider a gift to our Year End Ask Campaign. Your gift directly supports the programs that make the gallery such an important resource for our community.

Please take this moment to make your year-end donation today.
