Your financial support of Second Street Gallery is more important than ever! One of SSG's primary sources of funding comes from donations from individuals and foundations like you. We hope you'll consider a gift to our Year-End Ask Campaign.

Your contribution directly supports the exhibitions and programs that make SSG such an important part of our community. Here are just a handful of specific ways that your support helps fulfill our mission and accomplish our goal of keeping the gallery free and accessible to the community:

\$5,000 - \$10,000

Covers the entire cost of one exhibition in the Main or Dové Gallery!

This level of support pays for shipping, installation, insurance, vinyl signage, and other printed materials; installation photography; artist stipends; and related programming and materials.

\$1,000 - \$4,999

Keeps our doors open and our lights on!

There's a lot that goes into keeping SSG open and looking its best. This level of support helps with a month's worth of necessities like rent, telephone, electric bills, in-house printing, software and internet subscriptions, wall repair, and painting between exhibitions.

\$250 - \$999

Supports programs and workshops!

Your support at this level covers the cost of workshop and exhibition supplies, artist stipends, and one artist-led workshop or Family Studio Day!

\$50 - \$249

Buys supplies!

A donation at this level provides light bulbs to ensure our exhibitions are shown in their best light; printer paper and ink cartridges for our gallery posters and exhibition checklists, and tools and hardware so we can hang the art you see on our walls. Every donation makes a difference!

about

SECOND STREET GALLERY

Founded in 1973, Second Street Gallery is the oldest nonprofit 501(c)(3) contemporary art space in Central Virginia. Our primary mission is to enliven Virginia through the best in contemporary art and artists and to inspire new ways of thinking, seeing, and doing.

Second Street Gallery presents 12 to 14 separate exhibitions each year and a full calendar of related programming. Mark your calendars for some exciting upcoming events!
